

Safer Communities Engagement Officer
Ref: PCSP0128

Directorate:	Development and Environment
Starting salary:	£20, 444 per annum pro rata
Location:	Based in North Somerset
Hours:	Casual hours
Contract:	Casual
Closing date:	Thursday 30 June 2022

Do you want to help make North Somerset safe and welcoming this summer? If so, we have a great opportunity to work outdoors in a customer focused role within our Community Safety Patrol Officer team on a casual basis.

You will provide a uniformed presence in key areas including town centres, beach fronts, public spaces, beauty spots and events across North Somerset.

Working alongside the council's Safer Communities Service and partner agencies, the role involves patrolling a designated area with the aim of preventing anti-social behaviour.

You will also be expected to assist with the enforcement of low level anti-social behaviour and environmental issues in public spaces which will involve enforcing the Public Space Protection Orders (PSPOs), for which full training will be provided. Therefore, relevant enforcement experience would be advantageous although this is not a necessity.

The post holder will work shifts which could include evenings, weekends and Bank Holidays based on demand. Applicants will also need to be 18 or over and have the ability to travel around the North Somerset area on a regular basis – access to a vehicle will be provided.
